Looking Ahead...

Mark your calendars for the last week of October in 2019 for the most amazing experience. Go to greatestescapelakeside.com to check out a similar house. The house that we are renting is brand new and will be finished in early Spring, 2019.

This is a gigantic 15 Bedroom home featuring a themed game in every room. The 10 acre property includes a huge concrete "human board game" outside surrounded by other games, like giant Yahtzee and giant Battleship! This will be like having our own private resort!

The house opens in spring 2019 and is located just outside of Orlando and Disney Parks. This trip will offer the best of the best. A visit to one Disney or Universal Theme Park and a 4-night stay in the most amazing house. The house also offers our own movie theater, night club, laser tag, karaoke, life size games, skeet ball, human bowling, etc. The beautiful grounds offer many life-sized outdoor games, an outdoor kitchen, billiard-shaped pool and lazy river, and a campfire area in a park-like setting.

What the house does not offer, however, is an elevator and privacy. Each bedroom is game-themed so your housemates will be entering your room to play the game. Restrictions will be applied and procedures put in place to secure personal items. Some bedrooms are on the first floor, but this is not a fully accessible home.

Two options will be offered to get there. We have some that wish to travel by train and others who prefer plane. Details will be sent out in the New Year. Prices will vary depending on mode of transportation.

Estimated cost is about \$1700.

Visit www.greatestescapelakeside.com to see an example of the house.
