Now offered on site!

ABOUT PT

Physical Therapy

Enhances mobility through balance, stair, gait, strength, aerobic, and assistive device training to promote overall well-being

ABOUT OT

Occupational Therapy

Promotes independence and participation in ADL, IADL, leisure, social and work activities through motor, cognitive, and sensory processing skills and education on adaptive strategies.

ABOUT SPEECH

Speech Therapy

Our speech therapist works with individuals and their caregivers to prevent, assess, diagnose and treat speech, language, social, communication, cognitive-communication and swallowing disorders.
